

HCIL Assignment 2

- **Group Members:**

Swapnil Badave (33303) , Rahul Kamble (33330), Sahil Katkamwar (33331)

Jugaad pics from the internet

Image	Description
<p>1. Two-wheeler parking shade</p> 	<p>Here, a PVC water tank is used to provide shade to parked two-wheelers.</p>
<p>2. Study lamp</p> 	<p>This bulb is hanging from the cupboard handle over the study table. It has a paper attached to it from all sides which focuses the light beam on the study table below it which acts like a study lamp.</p>

3. Oiling bicycle

Here, this person is using a disposable syringe to oil their cycle to reduce the wastage of oil as well as increase the precision.

4. Private toilet

A toilet is installed inside this modified PVC water tank to make it as a makeshift private toilet.

5. Webcam as mirror

Here, this person is using his laptop's webcam as a mirror to shave.
